HEADWAY OXFORDSHIRE

We support people affected by acquired brain injury throughout Oxfordshire

Activity and Rehabilitation Centre

We offer a range of services in house at our Activity & Rehabilitation Centre (ARC) to support you and help speed up your recovery; from physical and cognitive therapy, to vocational support and training. These activities are all designed to complement a formal rehabilitation program.

Physiotherapy & Neuro Gym

Speech, Language & Memory Workshops

Computer Access & Training

Art & Music Therapy

Carer Support

As part of our Carer Support Service we provide carer respite days as well as offering advice and support to help you navigate the various options of support available to you as a carer of someone with a brain injury.

Community Support Service

Our Community Workers support individuals with brain injury (including stroke and some other neurological conditions), from early diagnosis, through the discharge process within the hospital setting and back into the community

Our Community Support Team offer individually tailored support programmes to help individuals, their carers and family members to adapt to their situation.
